

2017 IMPORTANT DATES

These are the important camp, rehearsal, events, and summer block dates for members of the 2017 Oregon Crusaders. Please make note of the Attendance requirements.

Check-in for camps and Move-in will begin at 7PM on Friday nights.

Check-out for camps may be on a Sunday or Monday (taking advantage of a holiday). Camps usually end at 2PM.

Students are expected to stay until the end of the camp. If traveling from out of the area, plan your flights, train/bus reservations, and car-pooling accordingly so that you don't miss the end of the camp.

Students are responsible for getting to and from camps, including from airports and bus/train stations. Oregon Crusaders may be able to provide some shuttling help but, ultimately, it's your responsibility to make arrangements.

See the OC Travel & Shuttle policy on the documents page at oregoncrusaders.org/documents.

Camps will be over after everything is loaded and the school cleaned up around 2PM on the last day, which could be a Monday. Check the schedule page at oregoncrusaders.org/schedule for the most current information.

¹ We understand that many members may still be in school or have school-related functions/finals after May 26th. We expect all members to work with their parents, teachers, and school administrators to get their school work and finals completed prior to May 26th. We also request that members get permission to attend the OC Move-in as soon as possible, even if school is still in session. We can provide a letter to school administration on your behalf that explains the program and the reasons for leaving school early. A copy of this letter can be found on the documents page at oregoncrusaders.org/documents.
